

Healthy Moms and Healthy Babies

Early Prenatal Care Form

For PREGNANT Alliance Members Only

Dear Alliance Member,

Make sure your new baby is healthy! It is very important to see your doctor for your **prenatal** (pregnancy) visits. At these visits, your doctor will see how you and your baby are doing. He or she will also make sure you get any tests you need.

Women who see a doctor often for prenatal checkups are more likely to have healthy babies. Be sure to see your doctor during the **first 13 weeks of your pregnancy or within 6 weeks of joining the Alliance**. If you do this, **you can get a \$25 gift card** from the Alliance. This is part of our Member Rewards program.

Fill out the top part of this form and take it to your **first prenatal visit**. Your doctor will fill out the bottom part of the form and sign it. The form can be mailed or faxed. We will send you a gift card after we receive your form and confirm your visit. This takes about 6 to 8 months. Members with other health insurance in addition to Medi-Cal are not eligible for the members rewards.

If you have questions, please call our Health Education Line at (800) 700-3874, ext. 5580.

Alliance Member - Please fill out this section (for pregnant members only):

Name: _____ Alliance ID# * : _____

Phone number: _____ Date of birth * : _____

Address: _____

City: _____ Zip code: _____
