

## Locum Tenens Notification

*Locum tenens* are providers who temporarily take the place of, or cover, for another provider. All *locum tenens* who render services to Central California Alliance for Health (the Alliance) members must be disclosed to the Alliance's Provider Services Credentialing staff before providing care to Alliance members.

In accordance with NCQA standards, the Alliance does not credential *locum tenens* unless they render services to Alliance members for a period of time exceeding 90 days per 12-month period. To notify the Alliance of *locum tenens* joining your practice, please complete the information below.
