Adult Preventative Services Benefit Expansion

Effective June 1, 2015 Nurse Practitioners are able to render adult preventative care services to adult Alliance members. Currently, Medi-Cal Guidelines do not include certain preventative care services as allowed when rendered by a Nurse Practitioner. Beginning June 1, 2015, the following codes may be billed when a Nurse Practitioner renders the service. Please note: a correct modifier must be included to identify that the service was performed by a Nurse Practitioner.

99385 Initial Comprehensive Preventative Medicine Evaluation and Management (age 18-39)

99386 Initial Comprehensive Preventative Medicine Evaluation and Management (age 40-64)

99387 Initial Comprehensive Preventative Medicine Evaluation and Management (65 and older)

99395 Periodic Comprehensive Preventative Medicine Re-evaluation and Management (age 18-39)

99396 Periodic Comprehensive Preventative Medicine Re-evaluation and Management (age 40-64)

99397 Periodic Comprehensive Preventative Medicine Re-evaluation and management (65 and older)
