Effective 3/10/16: Electromyography and Nerve Conduction Studies Will Require Prior Authorization

Beginning 3/10/16, the Alliance will authorize electromyography and nerve conduction studies when they are medically necessary and upon approval of prior authorization. The Alliance will use standards set by MCG (formerly Milliman Care Guidelines) to determine the medical necessity of electromyography and nerve conduction studies.

For more information, please call our Health Education Department at (800) 700-3874, ext. 5580.
