## **Reimbursement for EHR Services Available through DHCS**

The Department of Health Care Services (DHCS) is offering qualified providers \$21,250 for adopting an electronic health records (EHR) system, plus \$8,500 per year for five years. In order to receive reimbursement providers must sign a contract for EHR services by 12/31/16 and apply for funding through the DHCS website by 3/31/17. To qualify, 30% of total patient volume must be provided to Medi-Cal members.
