## **Weight Watcher's Scholarship Application Available on Alliance Provider Website!**

The quickest way to submit the application for a Weight Watchers scholarship for your members is via the Alliance provider website at [www.ccah-alliance.org/healthed\\_dm.html](http://www.ccah-alliance.org/healthed_dm.html).

Sending a member's health history of chronic conditions, medications, previous biometric screenings is not necessary and will not increase the chances of a member getting the scholarship. Only the information on the application needs to be completed. The form should be faxed to (831) 430-5852 ATTN: Health Programs Care Coordinator.

Note that the Weight Watchers Scholarship Program is for Alliance members over age 15.
