

Child Health and Disability Prevention Code Conversion Update

Phase II of the Child Health and Disability Prevention (CHDP) program Health Insurance Portability and Accountability Act of 1996 (HIPAA) code conversion and claim form transition is underway. **All services performed with a date of service on or after July 1, 2017 must be billed using the CMS-1500 or UB-04 claim forms or equivalent electronic claim transactions.** PM160 forms for services rendered on July 1, 2017 or later not will be accepted.

The Alliance will continue to provide periodic updates regarding this transition. Providers may submit questions or concerns to the transition mailbox at CHDPTransition@conduent.com or by contacting your Alliance Provider Services Representative at (800) 700-3874 ext. 5504.
