

HCPCS 2016 Code Changes for Intrauterine Contraceptives

As a reminder, effective on October 1, 2016, HCPCS code J7302 (levonorgestrel-releasing intrauterine contraceptive system) is no longer reimbursable. This code was deleted as part of the 2016 Medi-Cal annual CPT-4 and HCPCS codes update effective on the same date. HCPCS code J7302 has been replaced by codes J7297 (levonorgestrel-releasing intrauterine contraceptive system, 52 mg. 3 year duration) and J7298 (levonorgestrel-releasing intrauterine contraceptive system, 52 mg. 5 year duration). **Please submit a copy of the invoice with the claim.**

More details about billing for these codes can be found in the Family Planning section of the Medi-Cal Manual found at https://files.medi-cal.ca.gov/pubsdoco/manuals_menu.asp.
