

Initial Health Assessment Incentive Reminder

As a reminder, the Initial Health Assessment (IHA) Care Based Incentive (CBI) for 2017 requires a comprehensive exam within 120 days of the eligible member's enrollment. The IHA incentive also requires the completion of a Staying Health Assessment (SHA).

The Alliance captures information on IHA visits using claims data; please see the IHA Billing Code List located on the Alliance provider website at <http://www.ccah-alliance.org/risk.html>.

To ensure SHA completion occurs for all new members in compliance with Medi-Cal requirements, the Alliance will be completing chart reviews at sites due for a Facility Site Review visit. Please be advised that incentive payments for the CBI IHA measure may be revoked for those members who received an IHA but do not have a SHA documented in their medical record.

If you have any questions, please contact your Provider Services Representative at (800) 700-3874 ext. 5504.
