

New Provider Manual Effective 1/1/18 is Available

Please review the updated Provider Manual, effective January 1, 2018, posted on the Alliance provider website at www.ccah-alliance.org/provider-manual-toc.html. For your convenience, you can download PDFs of individual chapters as well as the entire manual.

Material changes to the 1/1/18 Provider Manual are outlined below.

- * The following codes have been added to the Primary Care Physician Services Case Managed Codes in Section 3: The Role of the Primary Care Provider:
 - Vision and Hearing: 92567, Tympanometry (impedance testing)
 - Allergy Immunotherapy: 95117, Multiple use allergy injections
- * The following Healthcare Common Procedure Coding System (HCPCS) Occupational and Speech Therapy codes have been corrected in Section 10: Claims:
 - X4100, Evaluation – initial 30 minutes, plus report
 - X4102, Evaluation – each additional 15 minutes, plus report
