CHDP Billing Clarification

For providers and clinic staff who attended the Alliance's Child Health and Disability Prevention (CHDP) program webinar on Wednesday, December 13, 2017, please note the corrected billing information below:

- * Vaccines for Children (VFC)-supplied vaccines must be billed as follows:
 - Vaccine Code + SL modifier = reimbursement of administration fee.
 - Any deviation from this Medi-Cal required billing format will result in denials.

Please remember, the Alliance will deny claims submitted on PM-160 forms for dates of service on or after January 1, 2018. For more information regarding claims, please contact the Alliance Claims department at (800) 700-3874 ext. 5503. For all other inquiries, please call a Provider Services Representative at (800) 700-3874 ext. 5504.
