Save the Date! 2018 Immunization Webinar Series

Webinar #1: Immunization Best Practices

The Immunization Best Practices webinar will be the first in a series geared toward supporting providers on the topic of immunizations. This webinar will focus on critical issues involving patient and parent education, screening during the immunization encounter, a review on immunization schedule updates, and resources for providers and parents.

Please join us on Wednesday, February 28, 2018 from 12PM-1PM.

To register, please visit www.ccah-alliance.org/workshops.html or contact a Provider Services Representative at (800) 700-3874 ext. 5504.
