New Enhancements to the Data Submission Tool

The Alliance is pleased to announce the launch of four new data types that can be submitted via the Data Submission Tool on the Alliance Provider Portal. Providers can now submit data for the following:

- * Alcohol Misuse Screenings and Counseling (ASMC) - also known as SBIRT ***NEW**
- * Annual Monitoring for Patients on Persistent Medications: ACE/ARBS ***NEW**
- * Depression Screenings and Follow-Up Care ***NEW**
- * Immunizations for Adolescents (IMA) and Children (CIS) ***NEW**
- * HbA1c Screenings
- * Cervical Cancer Screenings (Paps and HPV)

Note: New codes have been added for CCS data submissions. Providers can now also submit HCPC codes, such as Q0091. For more information, providers can reference the Data Submission Guide, which is available on the Alliance Provider Portal and includes step by step instructions on information required and how to upload data. After data is uploaded, an email confirmation will be sent within one business day.

The deadline to submit data for calendar year 2018 is Feb. 28, 2019.

If you have questions regarding the Data Submission Tool, please email portalhelp@ccah-alliance.org.
