Update to Radiology Rates: Adjustments from Medi-Cal

Medi-Cal routinely adjusts reimbursement rates and recently issued an adjustment to rates for Radiology services. The Radiology rate adjustments released in 2019 are retroactive, effective April 2017. In order to minimize the impact on our providers, the Alliance will implement the Medi-Cal rate adjustment with an effective date of 01/01/2020.

Information about the rate adjustment can be found in the July 2019 Medi-Cal Provider Bulletin located here: <http://files.medi-cal.ca.gov/pubsdoco/bulletins/artfull/gm201907.asp#a8> Please make note of the Alliance's implementation effective date.
