## Memorandum

**Date:** June 12, 2008

**To:** Alliance Providers

**From:** Provider Services Department

**Re:** RADIOLOGY AND LABORATORY SERVICES THAT ARE 100%  
PROFESSIONAL OR TECHNICAL COMPONENT NO LONGER  
REQUIRE MODIFIER.

---

**For dates of service on or after July 01, 2008:**

Laboratory and radiology services that were previously defined as “100 percent professional or 100 percent technical” will no longer be identified as split-billable, and must **not** be billed with modifier 26, TC or ZS. Please start billing these codes without a modifier appended to the procedure code.

Please contact Provider Services at (831) 430-5540 if you have any questions.
