Memorandum

Date: February 16, 2010

To: Alliance Providers

From: Provider Services Department

Re: **CHANGE CRITERIA FOR CHILD HEALTH AND DISABILITY PREVENTION PROGRAM BILLING CODE 76, FOR QUADRIVALENT HUMAN PAPILLOMAVIRUS VACCINE TO INLCUDE MALES.**

Effective for dates of service on or after October 21, 2009, Medi-Cal has changed the gender criteria for Child Health and Disability Prevention Program (CHDP) Code 76 from females only to females **and males**.

Medi-Cal Code	Medi-Cal Description	CHDP Code	CHDP Description	Reimbursement
90649	Human Papillomavirus Vaccine	76	Quadrivalent Human Papillomavirus Vaccin	\$9.00

Code 76 is payable for females and males ages nine years through eighteen years, eleven months, administration fee only. Vaccine source is VFC.

Please call your Provider Services Representative if you have any questions.
