## Memorandum

**Date: December 2, 2010**

**To: Alliance Ophthalmology Providers**

**From: Provider Services Department**

**Re: CPT 92015; DETERMINATION OF REFRACTIVE STATE**

---

\* \* \* IMPORTANT \* \* \*

Effective immediately, services for CPT code 92015; Determination of Refractive State, will be payable to Ophthalmologist when billed in conjunction with a consultation code (92014, 92004, 92012 or 92002) **and** a medical diagnosis within Plan-approved range: 250.000–250.999, 360.000–366.999.

A Referral is required from the member's PCP if the Alliance is the primary payer and the referring provider is contracted within the Plan's in-service area or local service area.

If you have any questions, please contact your Provider Services Representative.
